Paris Site Furnishing Is Committed To Excellence.

MADE IN CANADA

WHO WE ARE

Founded in Paris, Ontario in 1947 under the name Paris Playground Equipment Limited, we have always been committed to providing the best product and service. Over 70 years later, we are a leading supplier of site furnishings and outdoor fitness equipment throughout North America. We are fully committed to Creating Lasting Impressions.

WHAT WE DO

Paris Site Furnishings offers a wide variety of site furnishings including benches, litter receptacles, picnic tables, bike racks, high-performance outdoor fitness equipment, and custom work.

WHY US

Paris Site Furnishings and Outdoor Fitness products comply with strict standards, and are produced with high quality materials. Whether it's a recycling receptacle, trash container, park bench, bollard or various other types of site furniture or outdoor exercise equipment; it is built with quality in mind. Paris designs and manufactures outdoor furniture that is not only aesthetically pleasing, but durable and dependable, staying true to our commitment to create lasting impressions.

Excellence And Sustainability At PARIS Site Furnishings & Outdoor Fitness.

At PARIS Site Furnishings & Outdoor Fitness, we lead with a commitment to **excellence and sustainability.** From the materials we choose to our advanced manufacturing processes, we strive to set a standard for environmentally responsible outdoor furnishings that enrich communities and protect our planet.

OUR SUSTAINABILITY VISION

We believe outdoor spaces should not only be functional and beautiful but also sustainable. By integrating eco-conscious practices into every stage of our operations, we ensure our products reflect our dedication to environmental stewardship and long-term impact.

OUR SUSTAINABILITY PRACTICES

1. Sustainable Materials
2. Responsible Manufacturing
3. Renewable Energy Integration
4. Sustainable Partnerships
5. Waste Reduction

A SHARED COMMITMENT TO EXCELLENCE

As part of the JGW Machine Limited family, PARIS Site Furnishings & Outdoor Fitness upholds a shared mission of sustainability and innovation. Together, we are shaping a greener, more resilient future for our communities and industries.

Join us in creating sustainable outdoor spaces. Together, we can make a lasting difference.

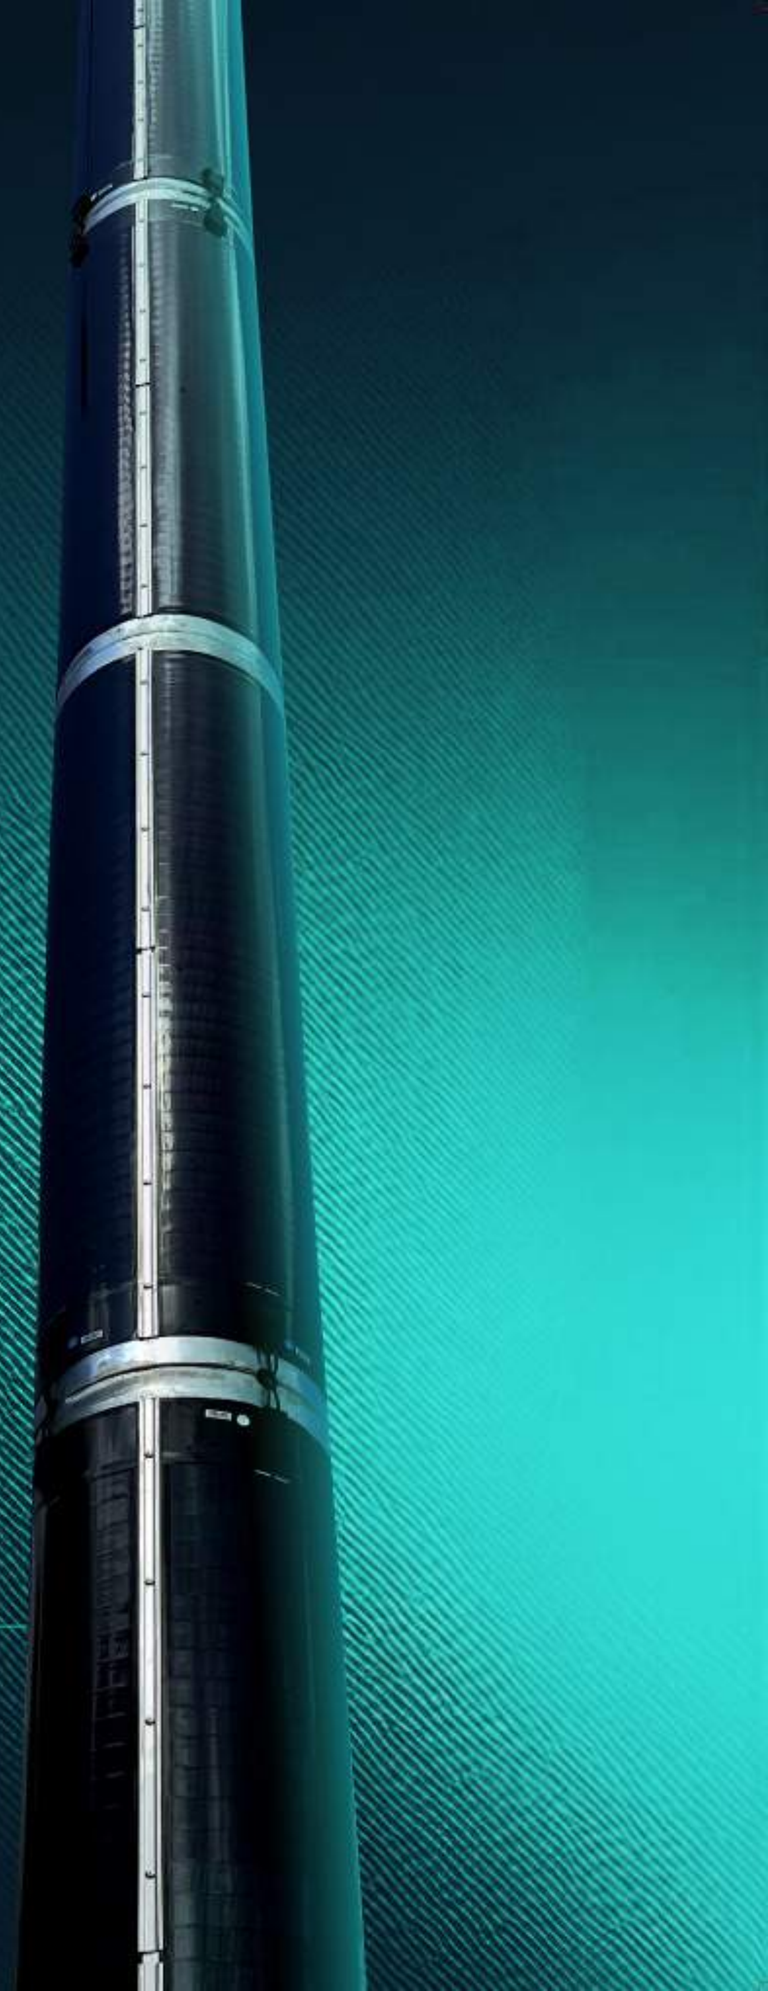
Innovate. Empower. Sustain.

Off-Grid Solar Technology for Canada's Economic and Environmental Prosperity

Trenchless, Cabless, Maintenance-Free Solar Power Poles for Off-Grid Locations



Powering Solar Energy Into The Future.

Our Revolutionary Power Poles

At Stern Solar, we offer cutting-edge solar power poles equipped with a range of off-the-shelf add-ons to meet diverse requirements:

USB Charging Ports

Keep devices powered in the most remote areas.

Single and Dual LED Lamps

Illuminate pathways, streets, and public spaces efficiently.

Remote Animal Detection Systems

Enhance safety with advanced wildlife detection technology.

High-Resolution Cameras

Monitor and secure any location with real-time surveillance.

Curved Vertical Solar Panels

10 Years Lifespan Average LED

Reduces Carbon Emissions

Savings on Energy Cost

Patent Pending:
U.S Patent Application No. 63/457,070

Our Power Poles Are Fully Customizable To Match Your Specific Needs

We offer various panel ratings, battery sizes, and weatherization options, along with additional features such as lighting and security systems.

16' Pole Retail spaces, schools, businesses, and recreation areas.

21' Pole Businesses, community centers, and new developments.

32' Pole Businesses, sports complexes, construction sites, and oil and gas operations.

Curved Vertical Solar Panels

Our patented curved vertical solar panels are designed to capture sunlight from all directions throughout the day. Unlike traditional flat panels, this innovative design ensures consistent energy generation, maximizing efficiency even in low-light conditions.

Solar-Powered Connectivity Revolution

Combining sustainable energy with unparalleled connectivity, the **Stern Solar Charging Pole** features a dedicated mount for a **Remote Starlink** antenna, enabling seamless satellite internet access. Perfect for remote locations, smart cities, or eco-conscious installations, the Stern Solar Charging Pole redefines versatility and convenience.

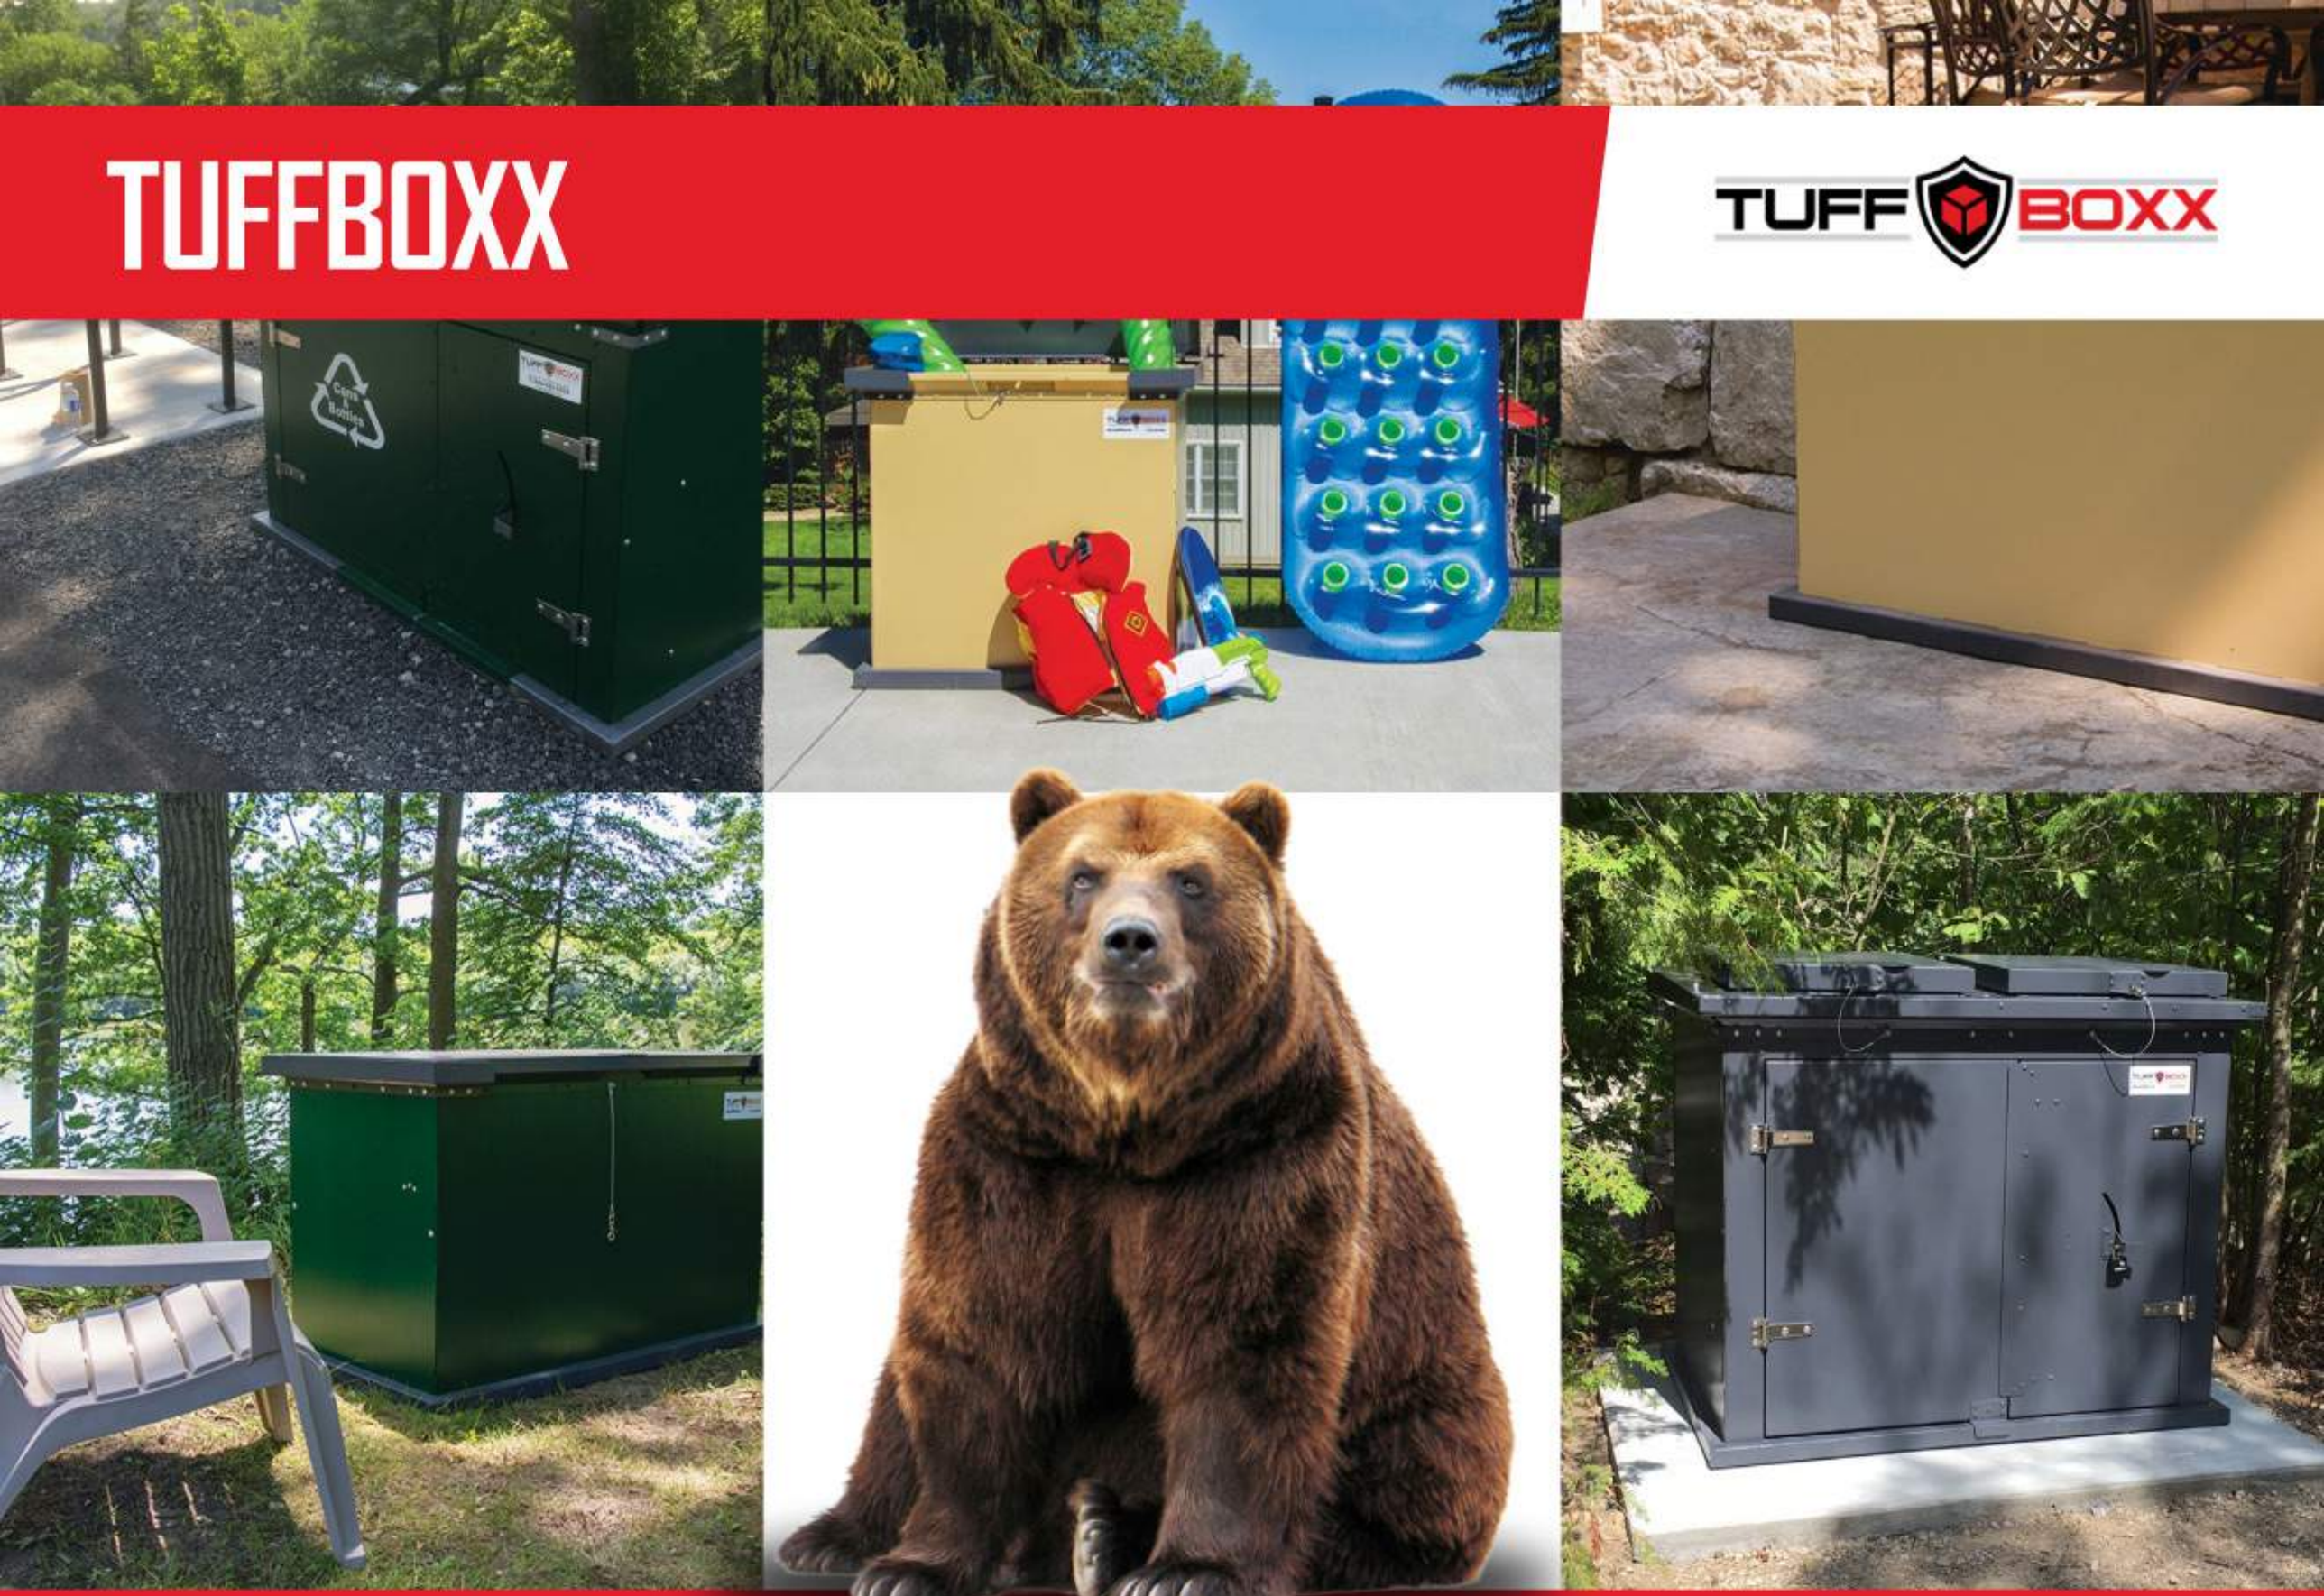
TUFFBOXX



WHAT IS TUFFBOXX?

Designed to outsmart and outmuscle the most persistent animal intruder, TuffBoxx is your go-to choice for animal resistant secure storage solution. Perfect to store garbage bins (both home and commercial), sports field equipment, deck, dock, or beach equipment, equestrian tack, agricultural feed, and much more!

WHAT MAKES A TUFFBOXX "TUFF"?

Made of all galvanized steel, TuffBoxxes are designed with strength and rust resistance in mind. A variety of bins means there is a perfect TuffBoxx for everyone!

Some features include gas shocks on lids for easy control, lockable lids and/or doors, and textured powder coat paint that is aesthetically pleasing and durable.

Need more proof about its strength? Check out our videos on www.tuffboxx.com
